From the Principal's Desk

The College of Social Work- Nirmala Niketan since its inception in 1955 has been dedicated in its pursuit of excellence in social work education. At various junctures, the College of Social Work has made efforts in updating its knowledge base and making its educational initiatives relevant to the existing national and global socio-economic reality. The College provides generic courses of study both at the M.S.W. and the B.S.W. levels. A semester system of three years has been adopted for the B.S.W. course since 2009, and the Credit Based Semester Grading System, initiated by the University of Mumbai started for B.S.W from 2011-2012 and for MSW from 2012-2013.

The curriculum is carefully designed to ensure that the student has a broad base of the necessary knowledge, skills and attitudes to function in a variety of settings related to the existing employment opportunity in the development sector. Despite being generic, the course also encourages the students to deepen their interest in certain specific areas through the type of fieldwork selected, research study undertaken, seminar paper and elective subjects.

The curriculum consists of relevant aspects of both theory and field work to help students enhance their practical understanding of social work practice. Field Work is an integral part of the training programme in social work. It comprises learning professional social work practice under the guidance of trained field instructors in selected Government and Non-Government organizations. It is both goal-oriented to solve a particular problem to which the student addresses his / her activities and learner-centred in relation to his / her particular interest areas and aptitudes. Field work has the dual purpose of promoting the student's own learning while contributing to the development of the people with whom he / she works, especially the disadvantaged sections of our society.

The college has been awarded the grade of academic excellence by the National Accreditation and Assessment Cell (NAAC) the highest score in all the three cycles. In 2001 the College was awarded a five star status; in 2007 the College was awarded an A+ with an Institutional Score of 93 percent and in 2015 it was reaccredited (Third Cycle) with A Grade (3.53 CGPA out of 4) valid up to 2022. We are happy to announce that on 12th Feb 2019, The University Grants Commission has provided conferment of Autonomous Status to the College of Social Work, Nirmala Niketan for a period of ten years w.e.f 2019-2020 to 2028-2029.

With the Autonomous status we have started add-on credit courses such as Art Based Therapy, Basic Research Skills for grass root social workers, Advance research in qualitative and quantitative methods, Media and Communication, Social Entrepreneurships skills enhancing livelihood from this academic year 2019, which helps our students with additional skills in their professional career as Social workers.

I am happy and proud to present our committed and talented social work graduates of 2019-20 batch for placements at your organisation. We look forward to a long-term association with our recruiters.

Best wishes,

Dr. Lidwin Dias
In-Charge Principal

Dr. Lidwin Dias

Ms. Irawati Mahajan

From the Placement Officer's Desk

Dear Prospective Employer,

We appreciate your keen interest in our students. Thank you for trusting and supporting us by offering to facilitate the job placements for our students. You have supported us in the past, by offering fieldwork placements and job opportunities to our students. We hope that you will extend your support by offering more opportunities for our graduating students.

This drive helps the students to explore their potential and build long lasting work relationships in which they can contribute and grow. It also helps employers to find a suitable candidate for their organization as our students are well-equipped with professional skills required for different areas of social work.

With the help of students from the placement committee, we have developed this placement e-brochure. Invitation for joining our recruitment drive, along with the placement rules are listed in this brochure. More importantly, this brochure includes profiles of students of BSW and MSW for your kind perusal.

We, at the College of Social Work-Nirmala Niketan, and our students look forward to partnering with you in providing skilled personnel to bring about social, economic and cultural development in our society. We warmly welcome you to visit our college and be a part of our Campus Recruitment Drive.

We give our best wishes to the graduating students of our college.

Thanking You,
Yours Sincerely,

Irawati Mahajan
Student Counsellor & Job Placement Officer

From the Job Placement Cell

The College of Social Work, Nirmala Niketan is one of the pioneering centers of social work Education in India. Ever since its inception in 1955 the college has made remarkable contribution to social work education through its Bachelors and Master's program in Social Work, research projects as well as through its field action projects.

Through our intensive curriculum we not only focus on Knowledge generation through classroom learning, but also put in a whole lot of emphasis on applying this knowledge to practice through our intensive field work program.

The students are placed for field work in various organisations through out their Bachelors and Masters program which imparts them with direct hands on knowledge of working in different fields of social work. This also helps them in developing the skill of linking their classroom theory into field practice. Our students possess the skill and exposure of working in both rural and urban areas. Also they are conversant with research, documentation, computer usage and other administrative skills.

I extend a warm welcome to all the recruiters who are partnering with us in our recruitment drive for the year 2019-20. I am sure that our students would definitely prove an asset to your organization and help you in taking the goals of your organization ahead.

Thanking you,
Yours sincerely,

Dr. Saman Afroz
Asisstant Professor & Faculty Incharge,
Job Placement cell

Dr. Saman Afroz

Mr. Sameer Mohite

From the Job Placement Cell

Dear Recruiters,

Warm greetings from the College of Social Work, Nirmala Niketan! It is genuinely a pleasure to write this message and welcome you all to the placements 2019-20. I am excited to present a most dynamic batch that is passing out this year. The College of Social Work Nirmala Niketan imparts high quality education for social transformation through professional and application based courses

in a wide range of interdisciplinary approaches of social work education. The college simultaneous engagement in teaching, research, field action and advocacy shows our commitment to integrate theory with practice and social action.

Currently the college focuses on different courses in social work such as Social Welfare Administration, Contemporary Social Movements, Social Policy and planning, Economic development, Health and Mental Health, Therapeutic Intervention, Rural and Urban Studies, Informal Labour and Informal Sector, Social Inclusion and Exclusion, Sustainable Development and Environment making it a choice destination of students interested in working in the development sector.

Since its inception in 1955, the college has been making consistent contribution to civil society, industry, corporate and development sector. By producing socially aware and committed professionals, the institute has always tried to keep up to its mission of working for social causes and issues.

The academic environment is unique in terms of its diversity among students, faculty and staff. Our two degree programmes Bachelors of Social Work and Masters of Social Work have been carefully developed keeping in view the social and environmental challenges of the our country that require alternate, sustainable and innovative solutions in synch with the way of life of the people. The distinct pedagogy such as field practicum and immersions, discussions, debates, research frame and peer-learning pursued by the college is an invitation for a dialogue between the instructor and the students. Therefore our students are equipped to contribute in the process of social transformation.

I warmly invite you to our college to interact with our highly motivated professional students with skills, temperament and diverse field experience. I am confident that our students will prove to be assets to your esteemed organisations and contribute to nation building.

Thanking you,
Yours sincerely,

Mr. Sameer Mohite
Asisstant Professor & Faculty Incharge,
Job Placement Cell

OUR LEGACY

College of Social Work, Nirmala Niketan

The College of Social Work was founded in 1955 by a band of valiant women known as Daughters of the Heart of Mary, whose mission was to readily respond to the felt needs of the people according to the signs of the time.

In the years following the Independence of India, the founders -Ms Paiva Couceiro, Ms Collette Galby and Dr Dorothy Baker realized that the nation's struggle for development would be served not so much by sensitive social concern as by insightful committed action. This led to the conceptualization of a programme of Social Work education to prepare young people to undertake and assist in resolving the existing social problems: widespread poverty, ill health, unemployment, illiteracy and social inequalities.

The academic programme was then built on a vision of human dignity and social justice especially with regards to the underprivileged. The College has forged ahead addressing various concerns of human existence and today (2018) in its sixty third year of existence - has become one of the pioneering institutes of social work education in the country.

We are pleased to declare that the National Assessment and Accreditation Council (NAAC) re-accredited our College of Social Work, 'A' (Third Cycle) with CGPA 3.53 on a scale of 4.

VISION AND MISSION:

- Contribute to building a new social order based on human dignity and social justice.
- Work with a preferential option for the vulnerable and exploited, both locally and globally.
- Build a cadre of young, competent professionals having a global perspective and a strong value base of compassion, personal integrity, moderation, tolerance and self-respect.

Nirmala Niketan College

Other Courses Offered

Along with BSW and MSW programme, the following courses are also offered for wider student development:

- Ph.D. in Social Work
- P.G. Diploma in Water & Inter-Religious Dialogue
- P.G. Diploma in Child Rights and Child Protection
- P.G. Diploma in Therapeutic Counselling
- Certificate course in Advanced Social Research methodology
- Diploma in Social Work
- Certificate course in Law and Social work
- Civil Services Preparatory training
- Para professional course in social work
- Social work certificate course for senior citizens
- P.G. Diploma in Corporate Social Responsibility

Library

Started in the year 1958, The Library has now a collection of 24,369 books in "Social Work" and related subjects like Politics, Sociology, Psychology, Anthropology, Psychiatry, Economics/Labour Economics, Social Research, Statistics, Welfare Services, Medical Social Work, Criminology and Social Welfare Administration, Community Organisation, Public Welfare Administration etc. The selection of the material in the library is geared to meet the academic needs of undergraduate and graduate students in social work. Although this is a specialized library, books of general interest, magazines, journals, fiction and many others are also available.

Lecture Series

We have two Lecture Series namely- Dorothy Baker and Savitri Phule lectures. These lectures are held every year and have mandatory attendance. The Guest speakers are eminent and inspiring personalities from various fields like politics, academics, media, social work, bureaucrats, activist etc.

Counselling Services

Counsellor offers counselling to students for their psychological problems. The issues range from relationship issues, parental/family conflicts, poor attendance, fieldwork related stress, financial crisis, career choices, issues related to self-acceptance, etc. Counselling services are extended to students of short terms courses, college staff and faculty as well.

Research Unit

Since 1993, the Research Unit of the College has been conducting a number of social work research studies. The Research Unit conducts independent research as well as commissioned research studies for Local, State and National Government and National/International Agencies. The Research Unit focuses on systematic, fact-based and action-oriented research that creates user-friendly social work related knowledge for social work education and practice, social policy and advocacy. The Research Unit has a nominated Director a Senior Faculty member, with a Ph.D, with a core team of a Research Coordinator, a Senior Research Assistant and an Accountant. The Research Unit has created a cadre of young social workers committed to pursuing quality research and indigenous documentation.

Field Work Experience

Field Work is an integral part of our BSW & MSW programmes. It consists of practicing social work under the guidance of trained field instructors in selected social welfare agencies and organizations. It enables our students to see the applicability of theoretical knowledge taught in the classroom to actual situations requiring social work intervention.

Our fieldwork is goal-oriented i.e. students conduct activities that aim to help solving particular social problems. It is also learner oriented i.e. the activities conducted are in relation to specific interests and aptitude of our students. Our fieldwork has the dual purpose of promoting the student's own learning while contributing to the development of the people with whom he / she works, especially the disadvantaged sections of our society. The students receive individualized attention in the form of guidance and supervision from the teaching faculty.

Practical experience in fieldwork enables our students to:

- Integrate classroom learning and field practice through active supervision & feedback
- Develop skills that may be utilized on field, for analyzing problems that affect the target groups and selecting appropriate means for redresser.
- Cultivate attitudes and values relevant to working with the most disadvantaged sections of society
- Develop awareness of self and the way in which students' behaviour is affected by past experiences and cultural factors, and the way in which these affect their response to others.

Our fieldwork is given equal importance as any of the theory subjects. In order to evaluate Fieldwork, there are four criteria- Analytical Ability, Problem-solving skills, Professional Development and Use of field instruction. This is coupled with writing reports every week and other documentation tasks.

Sports Day

Annual Day

Masters In Social Work (MSW)

The vision of the Master of Social Work (MSW) programme is to build a cadre of committed grassroots level development and professional social workers who would be fully equipped to respond to the changing global and local socio-economic realities. The programme, developed on a liberal arts paradigm enables students to use the full range of tools, theories and perspectives to understand, recognize, critique and appreciate themselves and their role in the globally dynamic environment. The district method of instruction (comprising andragogic and participatory teaching learning exercises) sets the tone for this strong foundation and helps the students to develop diverse, experiential, and practical knowledge.

The graduates having been grounded in liberal arts and generalist social work perspectives can be employed in the government, NGOs, Social Movements, Hospitals, Social Enterprises, Cooperatives, International Development Agencies and CSR Projects, in capacities such as Community Organisers, Program Officers, Social Planners, Development Facilitators, and Social Welfare Administrators.

The objectives of the MSW programme are as follows:

- To create critical understanding of social realities reflecting its changing nature and participate in the dynamics of change
- To orient students on diverse population, their issues and social justice stance for social work practice
- To equip the students with skills to work with different groups and communities using social work practice methods and strategies
- To inculcate professional values and ethics that guide social work graduates in professional practice

We organize a Campus Recruitment Drive every academic year in the month of March and April to enable our graduating students seek employment opportunities. Our aim is to expose our graduating students to the various agencies in the field and to the wide array of career options available to them after completion of their studies. As part of the career guidance activities, we organize and conduct input sessions prior to Campus interviews to increase the employability skills of our students.

We arrange pre-placement talks of the prospective recruiters for our students so that they understand the working culture and structure of that organisation/company. For those who face difficulty with regard to their career choice, we provide guidance and information about different fields, with assistance of a Counsellor.

Student Profiles

Our Past Recruiters

How You Can Get Involved

Invitation Letter to Recruiting Organization:

As our current batch of BSW and MSW graduates stands at the junction of entering their professional careers in the social sector, we would like to cordially invite all organizations to take part in our campus recruitment process. Our students are bright and well-equipped with necessary knowledge and skills, backed by solid social work ideology. With the training and foundation led by CSWNN, we are confident that our students are capable to handle challenges on field and flourish.

Our college is undertaking a Campus Recruitment drive from March, 2020 upto April, 2020 for our students for which we request your active participation. Students would be able to join your organization from or after May, 2020. The placement brochure of our college consists of the profiles of our students. In the brochure you will also find Placement rules of our college. Please go through them before partnering with us.

To participate in this recruitment drive, a non-refundable payment is to be made either by cash or cheque in the name of "Nirmala Niketan Institute".

- NGOs: Rs.1,000/-
- Corporate: Rs.2,000/-
- Overseas: Rs.3,000/-

These charges are levied towards use of our infrastructure by you during this time and are independent of the number of candidates attending the program or the number of students finally selected. In case you require additional visits to complete the recruitment process, no extra charge will be levied. Kindly share this information with other respective members and organizations.

To Whom It May Concern,

We request you to revert with filled Job Announcement Form to the address/email-id mentioned, in order to initiate the process.

In case of queries, Kindly contact: Tel.no:- 22002615 / 22067345 (Extension -44)

Timing:-10:30 am to 4:30 pm (Monday to Saturday except 2nd and 4th Saturday)

We look forward to hearing from you!

Regards,

Irawati Mahajan

Student Counsellor & Job Placement Officer

College of Social Work, Nirmala Niketan, Mumbai

Placement Rules and Guidelines for Recruiting Organizations (RO)

The placement process for our College is undertaken by the Career Guidance and Job Placement Cell. Information provided by the Recruiting organization (RO) will be beneficial in slotting dates and furthering the recruitment process on our Campus. After deciding the time slot, the same will be communicated to the RO for confirmation.

For smooth functioning of the placement process, ROs are required to abide by the following rules:

- Organizations interested in recruiting students graduating in MSW and BSW from our college will have to communicate their requirement via a prescribed Placement Form. The same needs to be signed by the concerned authority and emailed to swplacements@yahoo.co.in

- The procedure for allocation of slots to prospective ROs will be done according to the following details provided by RO:

- a. Job profile being offered
- b. Remuneration and incentives
- c. Geographical location and mobility
- d. Number of positions offered

- The placement process will comprise of the following:

1. RO will conduct a Pre-Placement Talk for students at college campus on a mutually convenient date before the placement process.
2. During the Pre-Placement Talk, RO will make a maximum 20 minute of presentation about the organization and details of the Job offered. RO will also describe the selection procedure. Towards the end, a 10 minute of Q&A session will help address queries of the students.
3. RO will conduct the campus placement on a later date which is mutually convenient. RO will be handed over the CVs of interested students when they come for campus placement.
4. RO will hand over the List of Selected candidates for Final placement to Job Placement Cell.
5. To avoid uncertainties, all ROs are requested to prepare a Waiting list in addition to the list of students selected for placement.
6. RO has to give 48 hours to the selected candidates to respond to the RO's offer.
7. The Job Placement Cell must receive the appointment letter within seven days of the selection process.
8. ROs are requested not to shortlist candidates based on the Profile Information of students given in the Brochure alone. Candidates should be shortlisted after submission of CVs and as per the selection procedure during Campus placement.
9. In personal interviews, the RO is requested not to ask uncomfortable questions regarding social and economic background of the candidates. In case of any such complaints from the candidate regarding the interview, the Job Placement Cell may intervene in the process.
10. The Job Placement Cell supports Off-campus interviews. For all such interviews, ROs and interested students must notify us.
11. Off-campus placement through video conferencing or telephonic media will also be facilitated by the Job Placement Cell for those ROs who may not be in a position to visit the campus. In such cases, please give us one week notice. Personal interviews at the office of RO can be facilitated at a mutually convenient date. In such circumstances, the RO is requested to provide for travel and local hospitality to the students.

Any communication regarding the placements should be made only with the Job Placement Cell by contacting on cswnncampus2019@gmail.com or on +91 9825337128 | +91 8108695155 between 10:30 am and 4:30 pm
