Our Legacy

College of Social Work Nirmala Niketan

The College of Social Work was founded in 1955 by a band of valiant women known as Daughters of the Heart of Mary, whose mission was to readily respond to the felt needs of the people according to the signs of the time. In the years following the Independence of India, the founders -Ms Paiva Couceiro, Ms Collette Galby and Dr Dorothy Baker realized that the nation's struggle for development would be served not so much by sensitive social concern as by insightful committed action. This led to the conceptualization of a programme of Social Work education to prepare young people to undertake and assist in resolving the existing social problems: widespread poverty, ill health, unemployment, illiteracy and social inequalities. The academic programme was then built on a vision of human dignity a regards to the underprivileged. The College has forged ahead addressing various concerns of human existence and today (2018) in its sixty third year of existence - has become one of the pioneering institutes of social work education in the country. We are pleased to declare that the National Assessment and Accreditation Council (NAAC) re-accredited our College of Social Work, 'A' (Third Cycle) with CGPA 3.53 on a scale of 4.

VISION AND MISSION

Contribute to building a new social order based on human dignity and social justice.

Work with a preferential option for the vulnerable and exploited, both locally and globally.

Build a cadre of young, competent professionals having a global perspective and a strong value

base of compassion, personal integrity, moderation, tolerance and self-respect.

OTHER COURSES OFFERED

Along with BSW and MSW programme, the following courses are also offered for wider student development:

The issues range from relationship issues, parental/family conflicts, poor attendance, fieldwork related stress, financial crisis, career choices, issues related to self-acceptance, etc. Counselling services are extended to students of short terms courses, college staff and faculty as

RESEARCH UNIT

Since 1993, the Research Unit of the College has been conducting a number of social work research studies. The Research Unit conducts independent research as well as commissioned research studies for Local, State and National Government and National/International Agencies. The Research Unit focuses on systematic, fact-based and action-oriented research that creates user-friendly social work related knowledge for social work education and practice, social policy and advocacy. The Research Unit has a nominated Director a Senior Faculty member, with a Ph.D, with a core team of a Research Coordinator, a Senior Research Assistant and an Accountant. The Research Unit has created a cadre of young social workers committed to pursuing quality research and indigenous documentation.

From the Principals Desk

Dr. Lidwin Dias

The College of Social Work- Nirmala Niketan since its inception in 1955 has been dedicated in its pursuit of excellence in social work education. At various junctures, the College of Social Work has made efforts in updating its knowledge base and making its educational initiatives relevant to the existing national and global socio-economic reality. The College provides generic courses of study both at the M.S.W. and the B.S.W. levels. A semester system of three years has been adopted for the B.S.W. course since 2009, and the Credit Based Semester Grading System, initiated by the University of Mumbai started for B.S.W from 2011-2012 and for MSW from 2012-2013.

The curriculum is carefully designed to ensure that the student has a broad base of the necessary knowledge, skills and attitudes to function in a variety of settings related to the existing employment opportunity in the development sector. Despite being generic, the course also encourages the students to deepen their interest in certain specific areas through the type of fieldwork selected, research study undertaken, seminar paper and elective subjects.

The curriculum consists of relevant aspects of both theory and field work to help students enhance their practical understanding of social work practice. Field Work is an integral part of the training programme in social work. It comprises learning professional social work practice under the guidance of trained field instructors in selected Government and Non-Government organizations. It is both goal-oriented to solve a particular problem to which the student addresses his / her activities and learner-centred in relation to his / her particular interest areas and aptitudes. Field work has the dual purpose of promoting the student's own learning while contributing to the development of the people with whom he / she works, especially the disadvantaged sections of our society.

The college has been awarded the grade of academic excellence by the National Accreditation and Assessment Cell (NAAC) the highest score in all the three cycles. In 2001 the College was awarded a five star status; in 2007 the College was awarded an A + with an Institutional Score of 93 percent and in 2015 it was reaccredited (Third Cycle) with A Grade (3.53 CGPA out of 4) valid up to 2022. We are happy to announce that on 12th Feb 2019, The University Grants Commission has provided conferment of Autonomous Status to the College of Social Work, Nirmala Niketan for a period of ten years w.e.f 2019-2020 to 2028-2029. With the Autonomous status we have started add-on credit courses such as Art Based Therapy, Basic Research Skills for grass root social workers, Advance research in qualitative and quantitative methods, Media and Communication, Social Entrepreneurships skills enhancing livelihood from this academic year 2019, which helps our students with additional skills in their professional career as Social workers. I am happy and proud to present our committed and talented social work graduates of 2019-20 batch for placements at your organisation. We look forward to a long-term association with our recruiters.

Best Wishes,
Dr. Lidwin Dias
In-Charge Principal

From The Job Placement Cell

The College of Social Work, Nirmala Niketan is one of the pioneering centers of social work Education in India. Ever since its inception in 1955 the college has made remarkable contribution to social work education through its Bachelors and Master's program in Social Work, research projects as well as through its field action projects.

Through our intensive curriculum we not only focus on Knowledge generation

through classroom learning, but also put in a whole lot of emphasis on applying this knowledge to practice through our intensive field work program. The students are placed for field work in various organisations through out their Bachelors and Masters program which imparts them with direct hands on knowledge of working in different fields of social work. This also helps them in developing the skill of linking their classroom theory into field practice. Our students possess the skill and exposure of working in both rural and urban areas. Also they are conversant with research, documentation, computer usage and other administrative skills. I extend a warm welcome to all the recruiters who are partnering with us in our recruitment drive for the year 2019-20. I am sure that our students would definitely prove an asset to your organization and help you in taking the goals of your organization ahead.

Thanking you,

Yours sincerely,

Dr. Saman Afroz

From The Job Placement Cell

Dear Recruiters,
Warm greetings from the College of Social Work, Nirmala Niketan! It is genuinely a pleasure to write this message and welcome you all to the placements 2019-20. I am excited to present a most dynamic batch that is passing out this year. The College of Social Work Nirmala Niketan imparts high quality education for social transformation through professional and application based courses in a wide range of interdisciplinary approaches of social work education. The college simultaneous engagement in teaching, research, field action and advocacy shows our commitment to integrate theory with practice and

social action. Currently the college focuses on different courses in social work such as Social Welfare Administration, Contemporary Social Movements, Social Policy and planning, Economic development, Health and Mental Health, Therapeutic Intervention, Rural and Urban Studies, Informal Labour and Informal Sector, Social Inclusion and Exclusion, Sustainable Development and Environment making it a choice destination of students interested in working in the development sector. Since its inception in 1955, the college has been making consistent contribution to civil society, industry, corporate and development sector. By producing socially aware and committed professionals, the institute has always tried to keep up to its mission of working for social causes and issues. The academic environment is unique in terms of its diversity among students, faculty and staff. Our two degree programmes Bachelors of Social Work and Masters of Social Work have been carefully developed keeping in view the social and environmental challenges of the our country that require alternate, sustainable and innovative solutions in synch with the way of life of the people. The distinct pedagogy such as field practicum and immersions, discussions, debates, research frame and peer-learning pursued by the college is an invitation for a dialogue between the instructor and the students. Therefore our students are equipped to contribute in the process of social transformation. I warmly invite you to our college to interact with our highly motivated professional students with skills,

temperament and diverse field experience. I am confident that our students will prove to be assets to your esteemed organisations and contribute to nation building

Thanking you,

Yours sincerely,

Mr. Sameer Mohite

Asisstant Professor & Faculty Incharge,
Job Placement Cell

The vision of the Bachelor of Social Work (BSW) programme is to build a cadre of committed grassroots level development and professional social workers who would be fully equipped to respond to the changing global and local socio-economic realities. The programme, developed on a liberal arts paradigm enables students to use the full range of tools, theories and perspectives to understand, recognize, critique and appreciate themselves and their role in the globally dynamic environment. The district method of instruction (comprising andragogic and participatory teaching learning exercises) sets the tone for this strong foundation and helps the students to develop diverse, experiential, and practical knowledge. The graduates having been grounded in liberal arts and generalist social work perspectives can be employed in the government, NGO's, Social Movements, Hospitals, Social Enterprises, Cooperatives, International Development Agencies and CSR Projects, in capacities such as Community Organisers, Program Officers, Social Planners, Development Facilitators, and Social Welfare

The objectives of the BSW programme are as follows:

1. To create critical understanding of social Realities reflecting its changing nature and participate in the dynamics of change
2. To orient students on diverse population, their issues and social justice stance for social work practice
3. To equip the students with skills to work with different groups and communities using social work practice methods and strategies
4. To inculcate professional values and ethics that guide social work graduates in professional practice
