13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Revision of the MSW syllabus.	The syllabus for the MSW programme was taken up by the IQAC and faculty members as the University of Mumbai directed all colleges to implement the new CBSS (Choice Based Semester System) from the academic year 20162017. Faculty members formed groups and took up specific subjects for revision. This ensured that every faculty member contributed towards the revision of the syllabus.
Initiate the House system for the student body.	The house system was implemented for the smooth functioning of the college
To organise State level Seminar on NGOs in Social Development, with sponsorship from ICSSR.	
Prepare for the Academic Audit to be conducted by the members of the UMQAC, University of Mumbai.	The Academic Audit was successfully completed and the University Team commended the college on its interventions
To coordinate the visits of two Local Enquiry committees set up by Mumbai University.	The visits of two Local Enquiry committees set up by Mumbai University were successfully completed.
To coordinate with Fund Raising Committee for the Fund raising Event, Yaadon ki Baraat.	The Fund raising Event, Yaadon ki Baraat, was held on 24th September, 2015.

14. Whether AQAR was placed before statutory body ?	Yes
Name of Statutory Body	Meeting Date
LMC & MANAGEMENT	01-Oct-2015
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2016
Date of Submission	22-Feb-2016

No

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college is guided by the norms of the University of Mumbai. CBCS system as stipulated by UGC has been introduced from the last academic year. The Adhoc BoS of Social Work under the Mumbai University meets twice a year to look into curriculum related areas.

1.1.2 - Certificate/ Diploma Courses introduced during the academic year

Certificate	Diploma Courses	Dates of Introduction	Duration	Focus on employ ability/entreprene urship	Skill Development
Nil	Nil	01/04/2015	0	Nil	Nil

1.2 – Academic Flexibility

1.2.1 - New programmes/courses introduced during the academic year

Programme/Course	Programme Specialization
No Data Entered/No	ot Applicable !!!

No file uploaded.

Dates of Introduction

1.2.2 - Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
No Data Entered/No	ot Applicable !!!	

1.2.3 – Students enrolled in Certificate/ Diploma Courses introduced during the year

Certificate **Diploma Course** 0 0

Number of Students

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	5	Date of Introduction	Number of Students Enrolled
	No Da	ata Entered/Not Applicable	111
		No file uploaded.	
1.3.2 – Field Projects / Interns	hips unde	er taken during the year	
Project/Programme Tit	le	Programme Specialization	No. of students enrolled for Field Projects / Internships
BSW		Field work	170
MSW		Field work and internership	119

1.4 – Feedback System	
1.4.1 – Whether structured feedback received from all the	stakeholders.
Students	Yes
Teachers	Nill
Employers	Nill
Alumni	Nill
Parents	Yes
1.4.2 – How the feedback obtained is being analyzed and (maximum 500 words)	utilized for overall development of the institution?
Faadhaal, Oktoinad	

Feedback Obtained

Feedback is taken through the Teacher Assessment Questionnaire (TAQ) from the students oral feedback is also taken in relation to teaching methodology, accessibility of the teachers and relevance of subject content. This feedback is shared with the teachers by the Principal and the teachers are asked to make appropriate modifications in their teaching. Student satisfaction feedback is coordinated by IQAC. Meeting with student council members allows for feedback from stakeholders by the Principal. The Principal and IQAC members also elicit feedback from the students during the Annual General Body Meeting of the Students. Teachers Assessment Questionnaire (TAQ) has been developed to get a written feedback of all the courses. It comprises objective questions regarding teacher's competencies such as i) Time sense, ii) Subject command , iii) Communication skills, iv) Support to the students, v) Workshops. Verbal feedback is taken by the faculty in charge of the respective course. Twice a year meetings are held with parents and a verbal feedback is taken from them. in relation to students performance and the services offered by the College, including the library and camps.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
MSW	Social Work	60	215	60
BSW	Social Work	60	100	60
		No file uploaded	l.	

2.2 – Catering to Student Diversity

2.2.1 - Student - Full time teacher ratio (current year data)

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Continued with the normal pattern, except for a few changes in the pattern of the type of pattern for the class test where objective questions were introduced..

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The College plans its teaching-learning and evaluation schedules well in advance and within the framework of the University schedules. The University finalises the dates for the beginning and ending of the semesters, for vacations and also for the University examinations. The College then works out its admission programme, class schedules, camps and block placement programmes, internal examinations and other regular programmes within these dates. This is presented, discussed and finalised at the faculty meetings, based on comments and suggestions given by the teachers in relation to classes, field work, students' council activities, block placements and rural camps. The calendar also includes the scheduling of orientation visits at the beginning of the year. Camps and block placements for students are organized keeping in mind the vacation dates and whenever possible arranged such that travel time of students is reduced. For instance, sometimes the students report directly to the camp sites from their place of residence if camps are organized immediately as the vacation ends.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

http://cswnn.edu.in/sites/default/files/Prospectus%202015-2016.pdf

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The policy of the college is to work in consultation with and request management for the maintenance of the infrastructure. Repair works, painting, replacement of old furniture comprehensive cleaning of the premises and pest control are carried out on regular basis to maintain freshness and a clean atmosphere. Special arrangement has been made for encouraging students to study and hold outdoor games in the available space in the backyard. Classrooms: All the graduate and post graduate class-rooms were expanded to accommodate increased number (60) of students in 2009-2011. Adequate seating arrangements including writing-tables are made for all students. All the classrooms are wellequipped with mike, television, mounted LCD and other audio visual equipments such as, over head projector, tape recorders for good teaching learning processes. The Internet is available for students. The multi-purpose hall of the College with collapsible doors is used as two classrooms on a day to day basis. The partitions are opened up to make space for all students when the educational or cultural activities are conducted. The space problem has increased since the year 2008 when the student teacher ratio was changed from 1: 10 to 1: 14. Hence the College uses the space optimally The College has a library space with seating arrangements for 90 students at a time. This room is furnished well with comfortable furniture for students. It has closed and open access cupboards/shelves for books. Within the space available a small room is created for the students to sit in small group of 4 or 5 to discuss assignments etc. Besides the large hall and reading room, library also has two rooms for maintaining the catalogue and other records. The building has a lift which the students with disability are helped to use. There is also a ramp at the entrance. The College has a vision centre for the visually impaired students and this centre has the software JAWS. The college has a well-equipped computer laboratory and all the students and faculty members have access to it. It is also open to a limited number of students from neighbouring academic institutions at a comparatively cheaper rate, without causing inconvenience to the in-house users.

CRITERION V – STUDENT SUPPORT AND PROGRESSION

5.1 – Student Support

5.1.1 – Scholarships and Financial Support

5.3.2 – Activity of Student Council & amp; representation of students on academic & amp; administrative bodies/committees of the institution (maximum 500 words)

5.3.2 Activity of Student Council representation of students on academic administrative bodies/committees of the institution (maximum 500 words). Two students have been included in the Internal Quality Assurance Cell from 2015 onwards. Elections were conducted in each class in the second week after college reopened to constitute the Students' Socio Cultural Committee. Freshers' Party: The freshers' party was organized on 21st July 2015 with a "jungle" theme. The first event conducted by the Education Sub-Committee in collaboration with the Women Development Cell was the screening of the well know documentary "Girl Rising" on 11th August, 2015. The American Library U.S. Consulate General, Mumbai had requested the college to provide a platform for discussion with students based on the documentary they had prepared on girls' education across different countries. After the screening, there was a panel discussion followed by a question answer session and high tea. A debate was organized by the Education Sub-Committee in the backdrop of the capital punishment given to Yakub Menon. The sports sub-committee organized two major events during the year. The indoor games were held in the college campus on 15th September 2015 and the outdoor sports day was held on St. Pius grounds in Goregaon on 7th January 2016. 10 students participated in the Indian Student Parliament held from January 27 to 30, 2016. Annual Day was celebrated on 23rd January, 2016 at Patkar Hall, SNDT College. The theme of the Annual Day was 'Life is like that only!' The inter-college festival Aarambh was held on 30th January, 2016. There were 10 events in Aarambh in which students from other colleges also participated. This year, the Students' Socio-Cultural Committee incorporated a new subcommittee on literary affairs. The sub-committee came up with 'Neev', the first college magazine.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Registered under Society Registration Act 1860. Registered on 7th Dec. 1987. Registered No.: 577

5.4.2 - No. of enrolled Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

0

8

5.4.4 - Meetings/activities organized by Alumni Association :

Alumni Association periodically organizes sessions on various topics. This is done in close collaboration with the college, keeping in mind the needs of students and current social issues.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Principal has meetings with the faculty members every week to discuss student progress, student activities and issues related to teaching and learning. The faculty members are encouraged to support innovative ideas for making teaching - learning more meaningful and effective. Faculty members are also part of various committees that plan and monitor various functions of the college for e.g. Library, Camps, Student Council, Women Development Committee, etc. The teachers head these committees along with non-teaching staff. The nonteaching staff are also met regularly and are part of various committees.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Every 3 years faculty members meet in smaller committees to discuss the continuing relevance of the contents of the curriculum. Changes are made, whenever thought necessary.
Industry Interaction / Collaboration	The college collaborates with CSR departments of corporates for research field placement and job placement.
Admission of Students	According to University norms.
Teaching and Learning	Teachers are encouraged to use innovative methods for classroom teaching. They are also encouraged to invite experts to share their experiences with the students. Field visits and orientation visits help in bringing real life situations to the classroom and help integration of theory and practice.
Examination and Evaluation	University of Mumbai norms are followed. For College exams (BSW SEM I TO IV) all teachers are involved in supervision and examination of answer papers. Question papers set by the teachers are proof read and edited by the Convenor of the Examination Committee. Papers are moderated by the Senior teachers. Examinations of other classes are conducted by the University of Mumbai. All teachers are involved in supervision, paper setting, examination in moderation. A standardized format has been made for the evaluation of seminar presentations, term papers and research projects.
Research and Development	During this academic year, faculty members were oriented on methods of applying to ICSSR for research funds.
Library, ICT and Physical Infrastructure / Instrumentation	Books in the library are updated whenever necessary and possible.
Human Resource Management	Recruitment of staff is per Rules by State Government (Department of Social

Welfare). When required the Management employs teaching and Non-teaching staff to manage the extra workload.

6.2.2 - Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	Plans are underway to develop this area of functioning
Administration	Plans are underway to develop this area of functioning
Finance and Accounts	Plans are underway to develop this area of functioning
Student Admission and Support	Plans are underway to develop this area of functioning
Examination	Plans are underway to develop this area of functioning

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

	Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Tree plantation, segregation of wet and dry garbage.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Best Practice One: 1. Title of the practice Training Programe on Palliative Care for Social Workers 2. The context that required the initiation of the practice Palliative care is an approach that improves quality of life for patients and their families facing the problems associated with life-limiting illness. This is accomplished through the prevention and relief of suffering by means of early identification and comprehensive assessment and treatment of pain and other physical, psychosocial, and spiritual problems (WHO, 2003). Palliative comes from the Greek word "Pallium" which means Cloak (to cover) The framework of social work training and practice gives the ideal scope to social work professionals to involve in palliative care. According to the Maharashtra Palliative care policy it has been estimated that 6 million people need palliative care ever year and less than 3 percent have access. In India it is estimated that the prevalence of patients who require Palliative Care are 10 million which would work out to approximately 1 million patients for Maharashtra (Maharashtra Palliative Care Policy, Jan 2013). The WHO guidelines developed by the National Consensus Project for Quality Palliative Care in 2004, suggest eight domains for the effective provision of Palliative Care at every Centre and also recognize Palliative Care as a Fundamental Human Right. NASW Standards for Social Work Practice in Palliative and End of Life Care The National Association of Social Workers, 2004 (NASW) has developed Standards for Social Work Practice in Palliative and End of Life Care, a useful practice tool for social workers. These standards are designed to enhance social workers awareness of the skills, knowledge, values, methods, and sensitivities needed to work effectively with clients, families, health care providers, and the community when working in end of life situations. According to the NASW Standards for Social Work Practice in Palliative and End of Life Care. The following standards are Standard 1. Ethics and Values - Guide in practice Standard 2. Knowledge - Theory in practice and skill Standard 3. Assessment -Comprehensive Need Based Assessment Standard 4. Intervention/Treatment Planning - Care Plans/Goals of Care Standard 5. Attitude/Self-Awareness - ones own emotions, feelings, values Standard 6. Empowerment and Advocacy - advocate for the needs, decisions, and rights of clients in palliative Standard 7. Documentation - record all communication, co-ordination Standard 8. Interdisciplinary Teamwork - co-ordinate with other professionals Standard 9. Cultural Competence - understanding diverse groups Standard 10. Continuing Education - professional development Standard 11. Supervision, Leadership and Training - Research / Policy 3. Objectives of the practice The rationale behind conducting this training programme for the Social work students were as follows. • There is a need to develop skills in palliative care and develop their expertise in the assessment and intervention with patients having terminal illness • To take a leadership role within professional social work towards the development of research, education, training and administration. From the above purported objectives it is imperative that Social Work is a profession that can meet the needs of individuals and families affected by lifelimiting illness and end of life issues. The Social worker can be involved in the following processes ? Need based assessment evaluation Demographic/ Socio

Economic status Begin where the patient is - explore patients needs, strengths, resources and available support systems, assessing the social, psychosocial systems, culture and identify barriers in that affect quality of care giving ? Address psychosocial issues - Help patients and families to cope in crisis, grief, pain, suffering and death ? Educate patient and families by providing information about resources, advance care planning, care giving, supportive and rehabilitative care ? Integral part of Multi - Disciplinary team of professionals - in co-ordinating with the patients family and the in planning intervention care plans, goals of care, resource mobilization ? Advocacy for changes in health care policies by ensuring accessibility, availability and affordable palliative care services, development of education, training, administration, research and policy 4. The Practice The Tata Memorial Hospital as a part of their comprehensive care for cancer patients have been conducting Training Programme in Palliative Care for Social Workers / Volunteers.. The rationale behind the training programme is to enhance the Quality of Care provided to the terminally ill persons, where "quality of life" is the main aim. Caring for these patients is a team approach with doctors, nurses, social workers, psychologists, occupational therapists, stoma care, volunteers and home care services net worked for maximum benefit. In this context the Training session was conducted for the post graduate second year students pursuing their degree in Social work and for faculty members of the college. The course was attended by approximately fifty five students. 6. Impact of the practice. Students and faculty members got an indepth idea about the very specialized component of palliative care Best Practice: TWO Title of the Practice: Disaster Intervention - Damunagar, Kandivali - East, Mumbai Objectives: To initiate intervention after the major fire following cylinder blasts in a slum community in North Mumbai. Context: Damu nagar is a slum community in North Mumbai inhabitating more than 5000 families, where cylinder blasts caused a big fire gutting most houses and belongings of the residents. The Practice: On 14th December 2015, about a week after the tragedy of cylinder blasts in Kandivali, all the MSW-II students went for need assessment to Damunagar. In this visit three students visited Anudatt School to check if the children had resumed attending classes. But it was found that children had lost everything from books to uniforms and bags. So far no help had reached the children in terms of providing educational material. The area was supplied with basic necessities such as clothes, vessels and food. Later in a discussion with faculty members it was decided that the children were definitely in a state of trauma which they could not express. Hence it was decided that initially, attempts would be made to alleviate their stress/trauma and later to help them get the materials needed for school. On 16th December, students conducted sessions including action songs and story-telling with children. The fantasy element of these activities was used to minimize painful thoughts. The students also helped another donor collect data regarding the needs of the 215 children. The next day the students were pleasantly surprised to see the children already gathered at the meeting point where the local youth had also voluntarily set up a microphone and speakers. This session included action songs, story-telling and craft and post-lunch, drawing and coloring. The students also visited schools in the area: the Akurli Municipal School and Anudatt School. The students visited the Principals of the three sections of the school. The Marathi medium had 89 students affected by the tragedy, the Gujarati medium 59 and Hindi medium 17. The students then worked to raise funds for basic educational supports. Work with Youth A group was formed with ten youth of the community. Group sessions were also conducted with 25-30 youths and their individual profiles noted. A signature campaign was carried out on sanitation, security and health-related concerns. Group media like street plays and group songs were used to promote unity. The major concerns faced by the youth included loss of income, negative impact on education - especially for those in Std. X or XII, lack of safety - especially for women, sanitation, and lack of food and legal

documents. The major achievement for the students of this group was linking the affected youth to the NSS Unit of Thakur College and Bombay Catholic Sabha. Work with Women The main concerns of the women in the community were lack of shelter and places for safekeeping important documents, robbery, trafficking, lack of uniforms and financial aid for children's books, commuting, loss of documents, and lack of water and sanitation. There was also an increase in domestic violence, liquor consumption, and health problems related to water. The chawls visited were Khoppe, Bhimnagar and Anand Utsav Chawl. Work with the Elderly The needs of the affected elderly included medicines (for blood pressure, epilepsy, arthritis, eye problems, asthma, body ache, joint pain, cold, cough, fever, diabetes, gastronomical diseases, dengue, jaundice, swelling of feet, injuries due to fire), blankets, cotton sarees and assistance in making various documents. The students contacted Silver Innings Foundation for needs assessment and for distribution of relief materials. Additionally, the students also interacted with the government agencies on behalf of the slum dwellers after need assessment and to retrieve all government documents for all families from the respective offices. The students distributed responsibilities among community members such as drafting letters to various government agencies and meeting the Collector, Mumbai Suburban and Bandra region. Problems encountered: This was a good learning experience for the students who took up the initiative on their own. They did not encounter any problems but were able to glean information about the ways in which such crisis situations affect communities. Resources needed: The students raised the funds to initiate the intervention. Resources needed were play equipment, educational supports, lamps, supports for elderly, etc.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

With its past experience in intervening in disaster the college speedily took up the need for help in Damu Nagar , Kandivali , a suburb in Mumbai. On 14th December, there was a tragedy of gas cylinder blast in the community. Senior MSW students were sent for need assessment and it was found that school going children had lost everything in the fires, from books to uniforms and bags. Discussion among student and faculty members concluded that these children were suffering from shock and trauma which they found difficult to verbally express. It was decided, that initial intervention would be to alleviate their stress/ trauma and letter to help them get the material needed for school. This entire intervention helped the students to integrate theoretical concepts with practical intervention. Their understanding of disasters and their management was crystalize. Also, they were able to understand and implement different skills like, planning, fund raising, advocacy etc. required for timely and effective help.

8. Future Plans of Actions for Next Academic Year

Future plans of the College of Social Work -The IQAC and the staff members meet in the month of April to plan the work for the next year and prepare the academic calendar to be given to all stake holders. -Sensitization programs for students. Students to be taken to various Organizations in the city and to rural areas to expose them to social and economic realities. Various skills laboratories are planned to help students sharpen their practice skills. In these laboratories real life situations. Films and documentaries on social issues will also be screened outside class hours to make students think and reflect on critical and current national issues. Camps are another way by which teaching -learning takes place, Next year too they will be planned, not only to provide the students an exposure to the work done by various agencies around the country, but the exercise helps the students to develop an understanding and appreciation of the values and principles of democratic functioning. -Block placement for students will also be planned for students as usual airing the month of May. This internship gives them an opportunity to work and stay in organizations working in rural areas and experience the life of villagers who live on the boarder of poverty and marginalization. Plan for awareness programs and workshops for the students on topics like Youth Motivation, Preamble of the Constitution of India, Save Water, Child Sexual Abuse, Leadership Qualities, Grievance Redressal and Community Intervention. - To organise National Conference on Child Protection and Education in the next academic year. The concept of child protection has evolved attempting to integrate the different areas and phases of a child's life. Millions of children survive, have basic needs met, but are left to drift in life forcing them to provide for themselves. Thus the Conference hopes to bring to the fore the plight of such children and create a concerted effort to work with them. Perspective planning workshop for the Teaching staff. As the College applied for Autonomous status, it is essential for the management and staff to review the progress of the College to date. This will help the staff set priorities, focus energy and resources, strengthen operations, ensure that all work towards common goals and adjust the Institution's path in response to a changing socio political environment. - To encourage Faculty members to contribute more in relation to writing articles, taking up research and participating in conferences. The college will meet teachers' expenses for travelling to some extent. SPSS Workshops for students is also planned to help them in their research work that is an academic requirement. -To have a laptop bank with 5 laptops for those students who do not have access to computers. This will help in their research work and writing of assignments. These will be available to the students as and when needed. -Straightening the job placement cell by inviting a larger number of organizations, and providing input sessions to the graduating students on resume writing, interview skills,
