## Infrastructure & Facilities to Promote I & E Activities: Student Clubs, Innovation, Pre-Incubation and Incubation Facilities, Services and Support

### *E-Cell (Students Club)*

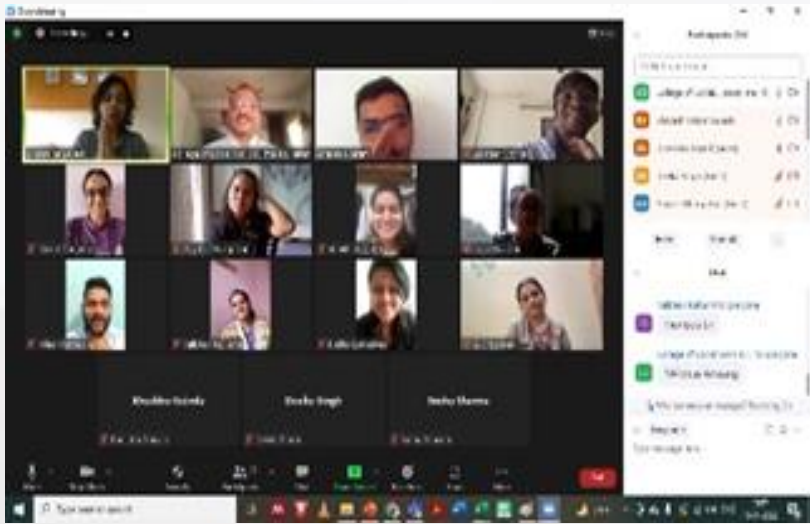

- E-Cell (Students Club), established in 2019 is an *Idea Club* initiative of the Nirmiti Centre for Social Innovation and Entrepreneurship that aims to foster the spirit of entrepreneurship amongst the students at College of Social Work. Currently 55 students are enrolled this year in E-Cell

### *Pre-Incubation*

- Pre-incubation stage starts with ideation. During this period, potential entrepreneur develops the idea to into a 'proof of concept' and prepares understanding the technical feasibility of the idea proposed. Once a marketable service/product idea gets evolved, prototyping and testing are done and the suitable students will be then referred for Incubation Stage. As of now on 31<sup>st</sup> March 2022. 8 teams are in this stage.

### *Incubation*

- Incubation program shall be fully functional from October 2021. Incubation stage will be 5 months processes of helping start-up companies/ non-profits graft product / service and prepare themselves for marketing. The centre offers a wide array of value-added services to speed up the incubation cycle. As of now, 3 persons/teams are being prepared to undertake this stage of Incubation.
