Attendance Condonation Meeting Resolution – 19th October 2026

After a detailed discussion and a review of all students who had attendance deficiencies in theory papers, the following decisions and resolutions were taken regarding the Oct-Nov semester end exams 2026 of BSW and MSW:

1. Resolution on Attendance Condonation

Resolved that all students who have 70% attendance be granted a condonation of 5% and permitted to appear for the Semester-End Examinations.

2. Resolution for Students Representing the College

Resolved that, for all students who represented the college in intercollegiate events, boot camps, or other events for which they were nominated by the college, attendance for the days missed due to participation in these events be calculated based on the number of days and lectures held and added to their total attendance percentage.

If the attendance of these students still remains below 75%, they shall be permitted to appear for the subjects in which they have 60% attendance or above. Students with attendance below 60% in any subject shall not be permitted to appear for the examination in that subject.

3. Resolution for Students with Medical Certificates

Resolved that students who submit medical certificates, after verification by the committee, be granted attendance for the days missed due to illness. The attendance shall be calculated based on the number of days and lectures held and added to their total attendance percentage.

If the attendance of these students still remains below 75%, they shall be permitted to appear for the subjects in which they have 60% attendance or above. Students with attendance below 60% in any subject shall not be permitted to appear for the examination in that subject
