Important Notice:

Dear Students, please note that from the Academic year 2025-2026 all students including Open, Minority and Reserved Category students must pay the full fees. If there is any difficulty in paying the fees, please contact the administrator for an interest-free loan scholarship or part payment in installment of two.

Those students who are eligible for government scholarship need to apply for scholarship online. Ms. Maya will help you in the process. It is compulsory for the students to fill in online forms on time to be eligible for scholarship. You can claim the fees that are due under different heads which Ms. Maya will help you. Kindly note that the Government Scholarship transferred to the student account. In case any amount is transferred to college on behalf of the student the same will be refunded as soon as we receive.

Thank you for your cooperation
