

Fresher's Party Report

Date: 23/07/25

Day: Wednesday

Time: 2.30 pm to 4.30 pm

Venue: BSW-1 Hall

Attendees: Principal, Professors, Students from BSW-1, BSW-II, BSW-III, MSW-I, MSW-II

Organized by: Extra Curricular Activities Committee

The Fresher's Party 2025 was a vibrant and joyful celebration filled with excitement, laughter, and bonding between seniors and freshers. The event began with a warm welcome through a heartfelt *shayari*, creating a cheerful atmosphere. Anchors Willsy and Ganesh hosted the evening with high energy, keeping the crowd entertained with their fun-filled banter.

The celebration kicked off with a lively dance performance by the MSW II students, which set a fantastic tone for the evening. The cheers from the audience made it clear that the performances were being thoroughly enjoyed.

Following the performance, the games were hosted by Sarah from MSW II. In the first activity, freshers had to run into the crowd, find a senior, catch their hand, and bring them up on stage. The game brought laughter, confusion, and cheerful chaos as freshers rushed around trying to pick the right senior.

The second game tested speed and people skills. Participants were given just 40 seconds to collect 10 wristwatches from the audience. The energy in the room was electric as students hurried to meet the challenge. Winners of both games were given prizes, adding to the excitement.

The cultural part of the evening continued with a beautiful East Indian group dance, followed by another fun dance by two talented students. These performances added a touch of tradition and emotion to the celebration.

A highlight of the evening was the Push-Up Challenge, which tested the physical strength of students. Everyone was amazed when a BSW III student set an outstanding record of 71 push-ups. The crowd cheered with admiration, and the atmosphere was filled with encouragement and pride.

Next came a dance performance by BSW II, full of energy and enthusiasm. It was followed by the Cup Game, where students had to balance cups on their heads while walking and forming a pyramid. The challenge was met with laughter and applause, as everyone gave it their best.

The musical part of the evening was equally enjoyable. A beautiful duet by Albin Sir and Mary Sister touched everyone's hearts. Pravin Sir's soulful performance added even more emotion to the evening.

The most awaited segment was the Mr. and Ms. Fresher Contest, where participants from BSW I and MSW I competed in three rounds—Ramp Walk, Talent Round, and Q&A. Each contestant

brought something special to the stage. After a tough competition, the winners were finally crowned amidst loud cheers and celebration.

While the judges finalized the scores, BSW III gave a high-energy dance performance that added sparkle to the final stretch of the event. Once the Mr. and Ms. Fresher winners were announced, they were invited to share their feelings, making it a special and memorable moment for everyone.

Laxmi Pillai from BSW III delivered a heartfelt Vote of Thanks, appreciating everyone's contribution to making the event a success.

The party ended on a high note, and just when the audience thought it was time for another game, the anchors surprised everyone by opening the dance floor for all. Music played, and the students enjoyed a spontaneous and spirited dance session to wrap up the evening.

Conclusion

The Fresher's Party 2025 was not just a welcome event, it was a celebration of togetherness, new beginnings, and student spirit. It brought everyone closer and gave a memorable start to the academic year.
