

COURSE OVERVIEW

MASIE | Batch 2024-2026 | SECOND YEAR 2025-2026

Social Work Methods

(CC 521)

Course Overview

Vision

To build a just and dignified social order by empowering vulnerable and marginalized groups, guided by the values of human dignity, social justice, and the ideals enshrined in the Indian Constitution.

Mission

M1: To educate and mentor young professionals with a global outlook, grounded in compassion, integrity, and a commitment to social justice.

M2: To provide comprehensive academic programs at the Bachelor's, Master's, and PhD levels, equipping students with the skills and knowledge necessary to address local and global social challenges.

M3: To foster an inclusive learning environment that cultivates tolerance, moderation, and self-respect, preparing students to become ethical leaders and advocates for marginalized/ Less privileged communities.

Program Outcome (PO)

Sr. No	PO
1	Locate social problems and design social innovations.
2	Appraise entrepreneurship approaches to develop and manage adventure projects
3	Identify the relevance of applied economic, social, legal, financial, management and psychological sciences in innovation and entrepreneurship
4	Recognise different research designs and design research study on social innovations and other allied aspects related to practice of entrepreneurship
5	Integrate classroom learning by engagement in the field of social innovation and entrepreneurship through immersion, internships, and projects
6	Recognise various functions and concerns such as ethical, legal, HRM, financial management, operations management, marketing, risk assessment and supply chain management in the context of social venture
7	Manage or co-create as specialist in social enterprises (such as SHGs, MFIs, Cooperatives, producer companies, etc) or in sustainable business domains (such as CSR, Ethical Supply Chain Management, Circular Economy/ Sustainability Practice, etc)
8	Select appropriate oral and written communication strategies for effective research and documentation
9	Apply reflection, critical thinking, participation and collaboration skills in field immersion, internship, and startup project initiatives

Course Outcomes

CO1: To analyze the Johari Window to gain deeper insights into self-awareness and interpersonal relationships.

CO2: To interpret and apply the principles of working with individuals and families in various contexts.

CO3: To explain and integrate the concept of a Genogram for personal and professional development

CO4: To evaluate and differentiate between various types of groups.

Governance of Social Enterprises

(DSE 521)

Course Overview

Vision

To build a just and dignified social order by empowering vulnerable and marginalized groups, guided by the values of human dignity, social justice, and the ideals enshrined in the Indian Constitution.

Mission

M1: To educate and mentor young professionals with a global outlook, grounded in compassion, integrity, and a commitment to social justice.

M2: To provide comprehensive academic programs at the Bachelor's, Master's, and PhD levels, equipping students with the skills and knowledge necessary to address local and global social challenges.

M3: To foster an inclusive learning environment that cultivates tolerance, moderation, and self-respect, preparing students to become ethical leaders and advocates for marginalized/ Less privileged communities.

Program Outcome (PO)

Sr. No	PO
1	Locate social problems and design social innovations.
2	Appraise entrepreneurship approaches to develop and manage adventure projects
3	Identify the relevance of applied economic, social, legal, financial, management and psychological sciences in innovation and entrepreneurship
4	Recognise different research designs and design research study on social innovations and other allied aspects related to practice of entrepreneurship
5	Integrate classroom learning by engagement in the field of social innovation and entrepreneurship through immersion, internships, and projects
6	Recognise various functions and concerns such as ethical, legal, HRM, financial management, operations management, marketing, risk assessment and supply chain management in the context of social venture
7	Manage or co-create as specialist in social enterprises (such as SHGs, MFIs, Cooperatives, producer companies, etc) or in sustainable business domains (such as CSR, Ethical Supply Chain Management, Circular Economy/ Sustainability Practice, etc)
8	Select appropriate oral and written communication strategies for effective research and documentation
9	Apply reflection, critical thinking, participation and collaboration skills in field immersion, internship, and startup project initiatives

Course Outcomes

CO1: To explain the concept of governance and its importance in social enterprises.

CO2: To differentiate between various governance structures for social enterprises.

CO3: To analyze the roles, rights, and duties of board members in social enterprises.

CO4: To evaluate how governance influences the growth and sustainability of social enterprises through examples.
