About the College & The Research Unit

College of Social Work (Autonomous) Nirmala Niketan, Mumbai, founded in 1955 envisaged in contributing to build a social order that would be based on human dignity and social justice. The founders of the institution envisioned to build a cadre of young and competent professionals having a global perspective and a strong value base to raise the voices of the vulnerable and exploited.

In order to highlight the importance and value of scientific research to Social Work education and practice, the Research Unit of Nirmala Niketan was set up on September 8, 1993. The Research Unit focuses on systematic, evidence based, and action-oriented research that produces user-friendly social work expertise for social work education, practice, policy, and advocacy. Its purpose is to investigate effective field practice approaches and person-centered interventions that will improve people's quality of life.

The Research Unit, College of Social Work, (Autonomous) Nirmala Niketan is organizing two days online workshop on the Art of writing a Good Research Paper. The details of the workshop are given below:-

About the Workshop

NVivo is a powerful software for the qualitative and mixed-methods analysis of text, audio, video, survey and social media data. This three day course provides a comprehensive overview of NVivo and an opportunity for participants to practice tasks using their own data. NVivo is great for organizing data and helping you to make sense of it during the process of analysis. After successful completion of this workshop the participant will be able to use NVIVO as a data management tool in their research study effectively and efficiently.
