Suggestions and Areas for Improvement

Areas of Improvement ▾

Segment Feedback by Program Level

Include Digital Competency Evaluation

Enhance Research Training

Employability Focus

Deepen Ethics Education

Communication Skill Building

Areas Needing Attention:

1.Include questions on job readiness, placement experiences, and career progression. '

2.Encourage field-based projects, research mentoring, and practical applications. 3.Integrate real-life case studies, simulations, and ethical dilemma discussions. 4.Implement interdisciplinary role-play, group presentations, and client-interaction modules.

5.Clearly separate UG and PG responses for targeted analysis and interventions.

6.Develop modules and survey items that address digital tools, virtual case management, and online advocacy.

Conclusion

- 1.The alumni feedback reflects that the BSW and MSW programs at Nirmala Niketan have successfully developed critical competencies aligned with their POs.
- 2.While strengths lie in practical application and lifelong learning, attention is needed to further enhance research integration, ethical understanding, and digital skills. Implementing the recommended improvements will ensure comprehensive program effectiveness and readiness for accreditation review.
