Dr. Lidwin Dias

From the Principal's Desk

The College of Social Work- Nirmala Niketan since its inception in 1955 has been dedicated in its pursuit of excellence in social work education. At various junctures, the College of Social Work has made efforts in updating its knowledge base and making its educational initiatives relevant to the existing national and global socio-economic reality. The College provides generic courses of study both at the M.S.W. and the B.S.W. levels. A semester system of three years has been adopted for the B.S.W. course since 2009, and the Credit Based Semester Grading System, initiated by the University of Mumbai started for B.S.W from 2011-2012 and for MSW from 2012-2013.

Dear Prospective Employer,

We appreciate your keen interest in our students. Thank you for trusting and supporting us by offering to facilitate the job placements for our students. You have supported us in the past, by offering fieldwork placements and job opportunities to our students. We hope that you will extend your support by offering more opportunities for our graduating students.

The curriculum is carefully designed to ensure that the student has a broad base of the necessary knowledge, skills and attitudes to function in a variety of settings related to the existing employment opportunity in the development sector. Despite being generic, the course also encourages the students to deepen their interest in certain specific areas through the type of fieldwork selected, research study undertaken, seminar paper and elective subjects. The curriculum consists of relevant aspects of both theory and field work to help students enhance their practical understanding of social work practice. Field Work is an integral part of the training programme in social work. It comprises learning professional social work practice under the guidance of trained field instructors in selected Government and Non-Government organizations. It is both goal-oriented to solve a particular problem to which the student addresses his / her activities and learner-centred in relation to his / her particular interest areas and aptitudes. Field work has the dual purpose of promoting the student's own learning while contributing to the development of the people with whom he / she works, especially the disadvantaged sections of our society. The college has been awarded the grade of academic excellence by the National Accreditation and Assessment Cell (NAAC) the highest score in all the three cycles. In 2001 the College was awarded a five star status; in 2007 the College was awarded an A+ with an Institutional Score of 93 percent and in 2015 it was reaccredited (Third Cycle) with A Grade (3.53 CGPA out of 4) valid up to 2022. We are happy to announce that on 12th Feb 2019, The University Grants Commission has provided conferment of Autonomous Status to the College of Social Work, Nirmala Niketan for a period of ten years w.e.f 2019-2020 to 2028-2029. The college ranked 62 in college category, in India Rankings 2020 of National Institutional Ranking Framework (NIRF).

With the Autonomous status we have started add-on credit courses such as Art Based Therapy, Basic Research Skills for grass root social workers, Advance research in qualitative and quantitative methods, Media and Communication, Social Entrepreneurships skills enhancing livelihood from this academic year 2019, which helps our students with additional skills in their professional career as Social workers.

I am happy and proud to present our committed and talented social work graduates of 2020-21 1st batch of MSW autonomous and BSW University affiliated graduates for placements at your organisation. We look forward to a long-term association with our recruiters.

Best wishes,

Dr. Lidwin Dias

In-Charge Principal

From the Job Placement Cell

Dr. Saman Afroz

The College of Social Work, Nirmala Niketan is one of the pioneering centers of social work Education in India. Ever since its inception in 1955 the college has made remarkable contributions to social work education through its Bachelors and Master's program in Social Work, research projects as well as through its field action projects.

Our intensive curriculum not only focusses on Knowledge generation through classroom learning, but also puts in a whole lot of emphasis on applying this knowledge to practice through our intensive field work program.

The students are placed for field work in various organisations throughout their Bachelors and Masters program which imparts them with direct hands on knowledge of working in different fields of social work. This also helps them in developing the skill of linking their classroom theory into field practice. Our students possess the skill and exposure of working in both rural and urban areas. Also they are conversant with research, documentation, computer usage and other administrative skills.

I extend a warm welcome to all the recruiters who are partnering with us in our recruitment drive for the year 2020-21. I am sure that our students would definitely prove an asset to your organization and help you in taking the goals of your organization ahead.

Thanking you,
Yours sincerely,

Dr. Saman Afroz
Assistant Professor, Faculty Incharge & Convener,
Job Placement Cell

Mr. Sameer Mohite

From the Job Placement Cell

Dear Recruiters, Warm greetings from the College of Social Work, Nirmala Niketan! It is genuinely a pleasure to write this message and welcome you all to the placements 2020-21. I am excited to present a most dynamic batch that is passing out this year. The College of Social Work Nirmala Niketan imparts high quality education for social transformation through professional and application based courses in a wide range of interdisciplinary approaches of social work education. The college simultaneous engagement in teaching, research, field action and advocacy shows our commitment to integrate theory with practice and social action.

Currently the college focuses on different courses in social work such as Social Welfare Administration, Contemporary Social Movements, Social Policy and planning, Economic development, Health and Mental Health, Therapeutic Intervention, Rural and Urban Studies, Informal Labour and Informal Sector, Social Inclusion and Exclusion, Sustainable Development and Environment making it a choice destination of students interested in working in the development sector.

Since its inception in 1955, the college has been making consistent contributions to the civil society, industry, corporate and development sector. By producing socially aware and committed professionals, the institute has always tried to keep up to its mission of working for social causes and issues.

The academic environment is unique in terms of its diversity among students, faculty and staff. Our two degree programmes Bachelors of Social Work and Masters of Social Work have been carefully developed keeping in view the social and environmental challenges of our country that require alternate, sustainable and innovative solutions in sync with the way of life of the people. The distinct pedagogy such as field practicum and immersions, discussions, debates, research frame and peer-learning pursued by the college is an invitation for a dialogue between the instructor and the students. Therefore our students are equipped to contribute in the process of social transformation.

I warmly invite you to our college to interact with our highly motivated professional students with skills, temperament and diverse field experience. I am confident that our students will prove to be assets to your esteemed organisations and contribute to nation building.

Thanking you,
Yours sincerely,

Mr. Sameer Mohite
Assistant Professor & Faculty Incharge,
Job Placement Cell

OUR LEGACY

College of Social Work, Nirmala Niketan

The College of Social Work was founded in 1955 by a band of valiant women known as Daughters of the Heart of Mary, whose mission was to readily respond to the felt needs of the people according to the signs of the time.

In the years following the Independence of India, the founders -Ms Paiva Couceiro, Ms Collette Galby and Dr Dorothy Baker realized that the nation's struggle for development would be served not so much by sensitive social concern as by insightful committed action. This led to the conceptualization of a programme of Social Work education to prepare young people to undertake and assist in resolving the existing social problems: widespread poverty, ill health, unemployment, illiteracy and social inequalities.

The academic programme was then built on a vision of human dignity and social justice especially with regards to the underprivileged. The College has forged ahead addressing various concerns of human existence and today (2018) in its sixty third year of existence - has become one of the pioneering institutes of social work education in the country.

We are pleased to declare that the National Assessment and Accreditation Council (NAAC) re-accredited our College of Social Work, 'A' (Third Cycle) with CGPA 3.53 on a scale of 4.

The College is affiliated to the University of Mumbai and is the only college offering the Bachelors, Masters and Ph.D. Degrees in Social Work in the University.

The college has secured 62nd Position in the NIRF Ranking of Colleges for the year 2020 by the Ministry of Human Resources Development.

On 12th February 2019 The University Grants Commission has conferred Autonomous Status to the College of Social Work, Nirmala Niketan for a period of ten years w.e.f 2019-2020 to 2028-2029.

Nirmala Niketan College

► Other Courses Offered

Along with BSW and MSW programme, the following courses are also offered for wider student development:

- Ph.D. in Social Work
- P.G. Diploma in Water & Inter-Religious Dialogue
- P.G. Diploma in Child Rights and Child Protection
- P.G. Diploma in Therapeutic Counselling
- Certificate course in Advanced Social Research methodology
- Diploma in Social Work
- Certificate course in Law and Social work
- Civil Services Preparatory Training
- Paraprofessional Course in Social Work
- Social Work Certificate Course for Senior Citizens
- P.G. Diploma in Corporate Social Responsibility

► Library

Started in the year 1958, The Library has now a collection of 24,369 books in “Social Work” and related subjects like Politics, Sociology, Psychology, Anthropology, Psychiatry, Economics/Labour Economics, Social Research, Statistics, Welfare Services, Medical Social Work, Criminology and Social Welfare Administration, Community Organisation, Public Welfare Administration etc. The selection of the material in the library is geared to meet the academic needs of undergraduate and graduate students in social work. Although this is a specialized library, books of general interest, magazines, journals, fiction and many others are also available.

Lecture Series

We have two Lecture Series namely- Dorothy Baker and Savitri Phu le lectures. These lectures are held every year and have mandatory attendance. The Guest speakers are eminent and inspiring personalities from various fields like politics, academics, media, social work, bureaucrats, activists etc.

Counselling Services

Counsellor offers counselling to students for their psychological problems. The issues range from relationship issues, parental/family conflicts, poor attendance, fieldwork related stress, financial crisis, career choices, issues related to self-acceptance, etc. Counselling services are extended to students of short terms courses, college staff and faculty as well.

Research Unit

Since 1993, the Research Unit of the College has been conducting a number of social work research studies. The Research Unit conducts independent research as well as commissioned research studies for Local, State and National Government and National/International Agencies. The Research Unit focuses on systematic, fact-based and action-oriented research that creates user-friendly social work related knowledge for social work education and practice, social policy and advocacy. The Research Unit has a nominated Director, a Senior Faculty member, with a Ph.D, with a core team of a Research Coordinator, a Senior Research Assistant and an Accountant. The Research Unit has created a cadre of young social workers committed to pursuing quality research and indigenous documentation.

► Field Work Experience

Field Work is an integral part of our BSW & MSW programmes. It consists of practicing social work under the guidance of trained field instructors in selected social welfare agencies and organizations. It enables our students to see the applicability of theoretical knowledge taught in the classroom to actual situations requiring social work intervention.

Our fieldwork is goal-oriented i.e. students conduct activities that aim to help solving particular social problems. It is also learner oriented i.e. the activities conducted are in relation to specific interests and aptitude of our students. Our fieldwork has the dual purpose of promoting the student's own learning while contributing to the development of the people with whom he/she works, especially the disadvantaged sections of our society. The students receive individualized attention in the form of guidance and supervision from the teaching faculty.

► Masters In Social Work (MSW)

The vision of the Master of Social Work (MSW) programme is to build a cadre of committed grassroots level development and professional social workers who would be fully equipped to respond to the changing global and local socio-economic realities. The programme, developed on a liberal arts paradigm enables students to use the full range of tools, theories and perspectives to understand, recognize, critique and appreciate themselves and their role in the globally dynamic environment. The district method of instruction (comprising andragogic and participatory teaching learning exercises) sets the tone for this strong foundation and helps the students to develop diverse, experiential, and practical knowledge.

The graduates having been grounded in liberal arts and generalist social work perspectives can be employed in the government, NGOs, Social Movements, Hospitals, Social Enterprises, Cooperatives, International Development Agencies and CSR Projects, in capacities such as Community Organisers, Program Officers, Social Planners, Development Facilitators, and Social Welfare Administrators. New syllabus under autonomy is implemented for MSW Sem I and II from the year 2019-2020.

The objectives of the MSW programme are as follows:

- To create critical understanding of social realities reflecting its changing nature and participate in the dynamics of change
- To orient students on diverse population, their issues and social justice stance for social work practice
- To equip the students with skills to work with different groups and communities using social work practice methods and strategies
- To inculcate professional values and ethics that guide social work graduates in professional practice

We organize a Campus Recruitment Drive every academic year in the month of January to May 2021 to enable our graduating students seek employment opportunities. Our aim is to expose our graduating students to the various agencies in the field and to the wide array of career options available to them after completion of their studies. As part of the career guidance activities, we organize and conduct input sessions prior to Campus interviews to increase the employability skills of our students.

We arrange pre-placement talks of the prospective recruiters for our students so that they understand the working culture and structure of that organisation/company. For those who face difficulty with regard to their career choice, we provide guidance and information about different fields, with assistance of a Counsellor.

Student Profiles

MSW, 2020-2021

Aishwarya Rajendra Mestry

Age: 22

Qualification: B.A Sociology

Field Experience: Gyansaathi Project, Karunya Trust

Term Paper Project: The Implementation of POCSO Act, 2012

Professional Skills: Administrative Skills, Teamwork, Time Management Skills, Communication Skills

Areas of Interest: Women and Child Welfare

How You Can Get Involved

Invitation Letter to Recruiting Organization:

As our current batch of BSW and MSW graduates stands at the junction of entering their professional careers in the social sector, we would like to cordially invite all organizations to take part in our campus recruitment process. Our students are bright and well-equipped with necessary knowledge and skills, backed by solid social work ideology. With the training and foundation led by CSWNN, we are confident that our students are capable of handling challenges on the field and flourish.

Our college is undertaking a Campus Recruitment drive from February 2021 - May 2021 for our students for which we request your active participation. Students would be able to join your organization from or after June- July 2021. The placement brochure of our college consists of the profiles of our students. In the brochure you will also find Placement rules of our college. Please go through them before partnering with us.

To Whom It May Concern,

We request you to revert the filled Job Announcement Form (attached in succeeding page) to the address/email-id mentioned, in order to initiate the process.

In case of queries, Kindly contact: +91 7506816361 or +91 9730928544

Timing:- 10:30 am to 4:30 pm (Monday to Saturday)

We look forward to hearing from you!

Regards,

Saman Afroz

Assistant Professor & Faculty Incharge & Convener,

Job Placement Cell

College of Social Work, Nirmala Niketan, Mumbai

Placement Guidelines for Recruiting Organizations (RO)

Participating in the Placement Process

College of Social Work Nirmala Niketan (Autonomous) has a Placement Cell where students play the lead role. The cell is guided by faculty members and has a dedicated support team for efficient administration. The Placement Cell works with potential employers from different sectors to understand their recruitment needs, analyze them and create opportunities for students, both through campus and off-campus placements. Placement support is provided to all students for career opportunities in government, industry, NGOs, multilateral agencies and other organizations that work in the Social sector. For purposes of better planning and facilitation of interested recruiters on campus, the placement process is divided into two parts:

1. Registration

Organizations who are interested in meeting our students with the view of recruiting them should register themselves by filling up the details required on the Placement Form (filled and scanned or in the form of a JD) and send it to our placement office by mail as early as possible. Subsequently, we will identify mutually convenient dates for pre-placement talks (PPT) and other recruitment processes on priority.

2. Pre-Placement Talk and Subsequent Recruitment Process

- A. R.O's will be given specific dates for pre-placement talks and recruitment process on mutually convenient dates.
- B. R.O's are encouraged to provide clear details of the role, location and salary to the students, in the registration form and during the pre placement talks and interviews. This would help the students in making informed choices and hence reduce dropouts after an offer is made. R.O's are supposed to inform the students if there is any probation period.
- C. The recruitment process would be organized virtually through Online meeting platforms as per organizations convenience due to Covid - 19 related guidelines.

Organizations interested in recruiting students graduating in MSW from our college will have to communicate their requirement via a prescribed Placement Form enclosed in this brochure. The same needs to be signed by the concerned authority and email it to cswnncampus2021@gmail.com

Any communication regarding the placements should be made only with the Job Placement Cell by contacting on cswnncampus2021@gmail.com or on [+91 7506816361](tel:+917506816361) or [+91 9730928544](tel:+919730928544) between [10:30 am](#) and [4:30 pm](#)

Guidelines for Participating Organizations

A. The recruitment process will commence from February 2021 and continue up to April, 2021.

B. Participating organizations, institutions and agencies while registering are requested to inform the Placement cell about the following:-

- Roles available within the organization with the corresponding Job Descriptions, salary, and location.
- Nature of the selection processes, tests, stages, and the tentative time duration that would be required to conduct the whole process.
- Information of the recruitment team / interview panel that would be visiting campus placement drive (number and composition).
- Any special requirements that need facilitation for smooth running of this process.

C. In the interest of providing an equitable opportunity to all students and create a fair recruitment environment for organizations, the recruitment process will be as follows:

- Prior to the start of the placement process, students are requested to share three organizations of their preference based on their interest. On receiving an offer from an organization of their preference, the student will drop out of placements, irrespective of their decision to accept or regret.
- The list of selected students has to be confirmed within 24 hrs. of completion of the campus interviews. To facilitate this, it is preferable that key decision-makers are part of the campus recruitment process. This will facilitate faster decision making.
- On receiving a job offer, a student has 24 hours to decide whether to accept or regret.
- On acceptance of the offer, the student will not be allowed for further placement process.
- On receiving the offer letter from the R.O, the student has to send a copy of the same to the placement cell for record if the job offer is accepted by the student.
- In case the student does not wish to take up the offer, this can be open to wait-listed students.
- Students will not be allowed to appear for interviews with other organizations until he/she takes a decision on the offer in hand.
- Only those students who have regretted their first offer from organizations that are not preferred by them, would be eligible to appear for other interviews with organizations of their preference, after permission (on email) from the Placement Cell.

D. Due to the ongoing pandemic, the placement process will be conducted in an online mode. The placement process will comprise of the following:

- RO will conduct a Pre-Placement Talk for students online on a mutually convenient date before the placement process.
- During the Pre-Placement Talk, RO will make a maximum 20 minute presentation about the organization and details of the Job offered. RO will also describe the selection procedure. Towards the end, a 10 minute Question & Answer session will help address queries of the students.
- RO will conduct the campus placement on a later date which is mutually convenient. RO will be handed over the CVs of interested students via mail or post.

- RO will hand over the List of Selected candidates for Final placement to the Job Placement Cell.
- To avoid uncertainties, all ROs are requested to prepare a Waiting list in addition to the list of students selected for placement.
- RO has to give 24 hours to the selected candidates to respond to the RO's offer.
- The Job Placement Cell must receive the appointment letter within seven days of the selection process.
- ROs are requested not to shortlist candidates based on the Profile Information of students given in the Brochure alone. Candidates should be shortlisted after submission of CVs and as per the selection procedure during Campus placement.
- In personal interviews, the RO is requested not to ask uncomfortable questions regarding the social and economic background of the candidates. In case of any such complaints from the candidate regarding the interview, the Job Placement Cell may intervene in the process.

E. Post Placement

If the organization is not able to recruit a candidate after giving him/her the offer letter due to any reason, the matter needs to be brought in the attention of the placement cell of the college. The recruiting organization needs to give compensation for the same to the candidates.

F. Kindly note:

- Any communication regarding placements should be made only with the student placement coordinators or with the faculty coordinators specified in the placement brochure.
- R.O would have to pay the minimum fees for confirmation of their registration to the college.

Registration fees:

- N.G.O: 750/-
- C.S.R: 1000/-
- Overseas: 1500/-

- Any change in date or time will be intimated in advance.

G. Placement Calendar and Contact Details

Placement at C.S.W.N.N. is a student led activity. The Placement cell has Student representatives, who coordinate with organizations and facilitate pre-placement talks, interviews and other placement processes on campus. Once we receive your Placement form, our Student representative will get in touch with you to discuss mutually convenient dates.

H. Pre -Placement Talk Schedule

Wednesday to Saturday, After 02:30 P.M.
