Suggestions by the current committee

- Start the planning of fest from starting so that it should be easy for the college and the student to prepare the fest and also contact the colleges.
- Invite the chief guest first so that they get time for it.
- For fundraising make the proposal letter and PPT so that the funder can understand the fest easily and can also get time to fund something in the fest.
- Even try fundraising fast so that you can be prepare with the things.
- Prepare decoration material fast so that there is no hurry for the fest.
