

# Social Work Research- I

Course Overview

---

## Program Outcomes

- |            |   |
|------------|---|
| <b>PO1</b> | Graduates will critically analyze social realities, understand their changing dynamics, and actively engage in processes that contribute to positive social transformation.                 |
| <b>PO2</b> | They will demonstrate an in-depth understanding of diverse communities, their unique challenges, and systemic inequalities, and advocate for social justice in their professional practice. |
| <b>PO3</b> | Graduates will apply appropriate social work methods and strategies to effectively work with individuals, groups, and communities, addressing various social issues.                        |
| <b>PO4</b> | They will embody professional social work values and ethics, ensuring integrity, respect, and accountability in all aspects of their practice.  |
| <b>PO5</b> | Graduates will develop problem-solving abilities and intervention strategies tailored to the needs of marginalized and vulnerable populations.  |
| <b>PO6</b> | They will integrate research and evidence-based knowledge to design, implement, and evaluate social work interventions effectively.   |
| <b>PO7</b> | Graduates will exhibit strong communication skills and the ability to collaborate with multidisciplinary teams to address social challenges holistically.                                   |
| <b>PO8</b> | They will demonstrate a commitment to lifelong learning, staying informed about emerging trends and practices in the field of social work.  |

---

## Course Outcomes

- |            |  |
|------------|--|
| <b>CO1</b> | To Understand key concepts, methodologies, and ethical considerations in social work research.                     |
| <b>CO2</b> | To Apply appropriate research designs, sampling techniques, and data collection methods in social work studies.    |
| <b>CO3</b> | To Analyze research problems by conducting literature reviews, identifying gaps, and formulating hypotheses.       |
| <b>CO4</b> | To Evaluate collected data, interpret findings, and assess their implications for social work practice and policy. |

---

## COURSE OVERVIEW | BSW

# Basic Counselling

Course Overview

---

## Program Outcomes

- |            |   |
|------------|---|
| <b>PO1</b> | Graduates will critically analyze social realities, understand their changing dynamics, and actively engage in processes that contribute to positive social transformation.                 |
| <b>PO2</b> | They will demonstrate an in-depth understanding of diverse communities, their unique challenges, and systemic inequalities, and advocate for social justice in their professional practice. |
| <b>PO3</b> | Graduates will apply appropriate social work methods and strategies to effectively work with individuals, groups, and communities, addressing various social issues.                        |
| <b>PO4</b> | They will embody professional social work values and ethics, ensuring integrity, respect, and accountability in all aspects of their practice.  |
| <b>PO5</b> | Graduates will develop problem-solving abilities and intervention strategies tailored to the needs of marginalized and vulnerable populations.  |
| <b>PO6</b> | They will integrate research and evidence-based knowledge to design, implement, and evaluate social work interventions effectively.   |
| <b>PO7</b> | Graduates will exhibit strong communication skills and the ability to collaborate with multidisciplinary teams to address social challenges holistically.                                   |
| <b>PO8</b> | They will demonstrate a commitment to lifelong learning, staying informed about emerging trends and practices in the field of social work.  |

---

## Course Outcomes

- |            |  |
|------------|--|
| <b>CO1</b> | To Understand the fundamental principles of counselling, including its role in social work and ethical considerations.                       |
| <b>CO2</b> | To Analyze different counselling approaches, such as psychodynamic, behavioural, person-centred, existential, and postmodern perspectives.   |
| <b>CO3</b> | To Apply basic counselling skills and techniques effectively in social work practice across various settings.                                |
| <b>CO4</b> | To Evaluate the impact of counselling interventions in addressing social and mental health concerns through reflective and ethical practice. |

## COURSE OVERVIEW | BSW

# Group Work in Different Settings

Course Overview

---

## Program Outcomes

- |            |   |
|------------|---|
| <b>PO1</b> | Graduates will critically analyze social realities, understand their changing dynamics, and actively engage in processes that contribute to positive social transformation.                 |
| <b>PO2</b> | They will demonstrate an in-depth understanding of diverse communities, their unique challenges, and systemic inequalities, and advocate for social justice in their professional practice. |
| <b>PO3</b> | Graduates will apply appropriate social work methods and strategies to effectively work with individuals, groups, and communities, addressing various social issues.                        |
| <b>PO4</b> | They will embody professional social work values and ethics, ensuring integrity, respect, and accountability in all aspects of their practice.  |
| <b>PO5</b> | Graduates will develop problem-solving abilities and intervention strategies tailored to the needs of marginalized and vulnerable populations.  |
| <b>PO6</b> | They will integrate research and evidence-based knowledge to design, implement, and evaluate social work interventions effectively.   |
| <b>PO7</b> | Graduates will exhibit strong communication skills and the ability to collaborate with multidisciplinary teams to address social challenges holistically.                                   |
| <b>PO8</b> | They will demonstrate a commitment to lifelong learning, staying informed about emerging trends and practices in the field of social work.  |

---

## Program Outcomes

- |            |   |
|------------|---|
| <b>PO1</b> | Graduates will critically analyze social realities, understand their changing dynamics, and actively engage in processes that contribute to positive social transformation.                 |
| <b>PO2</b> | They will demonstrate an in-depth understanding of diverse communities, their unique challenges, and systemic inequalities, and advocate for social justice in their professional practice. |
| <b>PO3</b> | Graduates will apply appropriate social work methods and strategies to effectively work with individuals, groups, and communities, addressing various social issues.                        |
| <b>PO4</b> | They will embody professional social work values and ethics, ensuring integrity, respect, and accountability in all aspects of their practice.  |
| <b>PO5</b> | Graduates will develop problem-solving abilities and intervention strategies tailored to the needs of marginalized and vulnerable populations.  |
| <b>PO6</b> | They will integrate research and evidence-based knowledge to design, implement, and evaluate social work interventions effectively.   |
| <b>PO7</b> | Graduates will exhibit strong communication skills and the ability to collaborate with multidisciplinary teams to address social challenges holistically.                                   |
| <b>PO8</b> | They will demonstrate a commitment to lifelong learning, staying informed about emerging trends and practices in the field of social work.  |

---

## Course Outcomes

- |     |  |
|-----|--|
| CO1 | To Understand the fundamental concepts of project management, including project selection, feasibility studies, cost estimation, and scheduling.                               |
| CO2 | To Apply project management techniques, such as setting baselines, monitoring progress using indices, and utilizing project management information systems for implementation. |
| CO3 | To Analyze the role of contracts, teamwork, and coordination in effective project execution.   |
| CO4 | To Evaluate project closure using appropriate evaluation methodologies, project closure reports, and case studies.   |

---
