Post Graduate Diploma in Sustainable Development (in Water and Communal Harmony)

PG Diploma in Sustainable Development is an in-demand, co-branded program designed in association with some prestigious institutions namely, UNESCO and Cardinal Paul Poupard Foundation Chair at St. Andrew's College; Institute of Indian Culture; and College of Social Work (Autonomous). Water is at the core of sustainable development and is critical for socio-economic development for entire community and women and children in particular. Through integrating a gender-sensitive approach, sustainable planning of water interventions, community building, and using inter-religious dialogue we can solve water and sustainable development related problems. The content of PG Diploma in Sustainable Development program provides the much needed knowledge and skills to addresses critical themes such as religious conflicts, water governance, energy challenges, etc.
